## Lumis – Guiding Your Journey from Development to Approval

**Unlock access to European  
markets with Lumis as your trusted  
regulatory partner.**

**Accelerate** market entry with expert  
EU regulatory consulting, clinical trial  
support and legal representation.

**Since 2013**, Lumis has empowered  
non-European biopharma  
and medical device companies to  
navigate EU, UK and Swiss regulations.

**Our team's** with 20 years of  
experience combines deep regulatory  
expertise and hands-on clinical project  
management to overcome challenges  
efficiently.

**Benefit** from our comprehensive  
solutions, clinical trial outsourcing,  
quality management and regulatory  
compliance to accelerate development.

## The Benefits of Choosing Lumis as Your Partner

**Peace of mind**  
with fully compliant trials

**Shorter time-to-market**  
for innovative projects

**Cost-saving**  
by leveraging Lumis'  
in-depth experience

**Partnership expertise**  
across the entire Lumis team

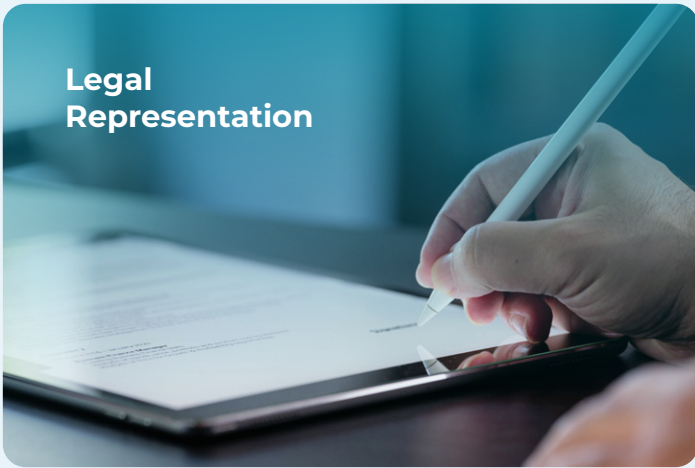

**Realistic budget**  
without compromising quality

**Aligned sponsor-vendor teams**  
working towards the same goal
